

# OLS Middle School Supply List 2022 - 2023

## General Supplies:

<b>Pencils</b>	<b>Scissors</b>	<b>Colored Pencils</b>	<b>Clorox wipes</b>
<b>Pencil Sharpener (enclosed)</b>	<b>Loose leaf Paper (lined)</b>	<b>Graph Paper</b>	<b>Tissues</b>
<b>Red/Blue/Black Pens</b>	<b>Highlighters</b>	<b>Supply Pouch</b>	
<b>2 Flash drives</b>	<b>Glue sticks</b>	<b>Hand sanitizer</b>	
<b>Markers</b>	<b>Index cards</b>	<b>Earbuds</b>	
<b>Black fine-tip Sharpies</b>	<b>Dry Erase Markers</b>	<b>Scientific Calculator (TI-84 or TI-84 Plus Alg/Geo)</b>	

Students are expected to have all items and to be adequately prepared for each class each day as part of their learner responsibility. All daily supplies should be able to be stored in a supply pouch. A student planner, used on a daily basis, is provided by the school.

**We discourage the use of large binders used to hold more than one subject!** They do not fit in lockers, cubbies or backpacks and cannot be easily collected to be assessed. Most classes will expect a small binder containing only work for that class and will be organized according to directions from each teacher.

All books belonging to OLS are expected to have a paper or cloth non-permanent cover at all times. Buying the jumbo size stretch covers ensures that they fit all the provided texts.
